## AEGON

**Brunno Maradei, CFA**

Global Head of Responsible Investment

*How can sustainability be integrated in the complex structures involved in alternative fixed income and structured finance?* Brunno Maradei will discuss this crucial aspect of fixed income management. He has been Global Head of Responsible Investment at Aegon Asset Management since joining the firm in 2019. In this capacity, he leads a team of ESG specialists focused on sustainability research, engagement, voting, and policy advice. He also chairs Aegon AM's Sustainability Board and is a member of the European Securities and Markets Authority's (ESMA) Consultation Working Group on Sustainability.

## BLUEORCHARD

**Evariste Verchere**

Head of Public Debt Portfolio Management

*How can you balancing impact and competitive returns beyond benchmark constraints when driving Public Debt strategies?* Evariste Verchere who heads Public Debt Portfolio Management at BlueOrchard Finance Ltd since joining the firm in 2017, will discuss this crucial element of debt portfolio management. He will draw on his experience overseeing the management of BlueOrchard's listed debt funds. Prior to his tenure at BlueOrchard, Evariste worked at BlackRock (formerly Barclays Global Investors) in London from 2004 to 2016, where he managed active investment strategies across fixed income.

## BROWN ADVISORY

**Ryan Myerberg**

Partner & Portfolio Manager

*How are the significant sustainability-related shifts in the US affecting global fixed income allocations?* Ryan Myerberg will discuss this timely topic from a macro perspective, drawing on his extensive expertise of the US and global fixed income space, most recently as partner and portfolio manager at Brown Advisory where he co-heads the Global Taxable Fixed Income team. He joined the firm in March 2021, bringing extensive experience in managing global fixed income strategies. Prior to joining Brown Advisory, Ryan was the Head and Chief Investment Officer of Absolute Return Fixed Income at Amundi Asset Management, where he led a team managing absolute return, total return, and currency strategies across global investment hubs. Before that, he spent nine years at Janus Henderson Investors, launching their global fixed income platform in London in 2010 and serving as a portfolio manager across various global macro and credit strategies. Earlier in his career, Ryan worked at BlueMountain Capital Management in London and held positions at Morgan Stanley and Lehman Brothers in New York.

## PIMCO

### Stefan von Martial, CFA

Senior Vice President, ESG Product Strategy

*What can we expect from the effects of decarbonising portfolios and how can we achieve the best possible transition?* Stefan von Martial, Senior Vice President and ESG Product Strategist at PIMCO's London office, focuses on ESG strategies and will discuss the best practice he has gathered since he joined PIMCO in 2012. Prior to joining PIMCO, he worked in structured interest rate and foreign exchange solutions sales at WestLB.

## SAIL INVESTMENTS

### Thomas Thoden Van Velzen, CFA

Director, Portfolio Manager

*Is it possible to diversify your global private credit exposure with a sustainable exposure aiming to reduce deforestation in global supply chains?* Thomas Thoden van Velzen will discuss SAIL Investment's early mover advantage and talk about the addressable market for this significant investment opportunity. He is Director of Investments at SAIL Investments, bringing 18 years of experience in investment management, primarily in credit. He began his career at APG Asset Management before moving to London to work with the credit arm of KKR, focusing on global convertible bonds. Prior to joining SAIL, Thomas served as Lead Portfolio Manager in the Emerging Markets Credit team at PGGM Investments.
